FACTS ABOUT THE UNIVERSITY

LOCATION

Gainesville is located in north-central Florida, about equi-distant—60 miles—from the Atlantic Ocean and the Gulf of Mexico. It is 72 miles southwest of Jacksonville, 120 miles northwest of Orlando and 150 miles southeast of Tallahassee, capital of Florida.

HISTORICAL STATEMENT

In 1853 the foundation work of the present University of Florida was laid in Ocala when a small private school, East Florida Independent Institute, was opened. Florida Agricultural College was established at Lake City in 1883, and by 1905 six colleges were at least in part state supported. With the passage of the Buckman Act in 1905, the University of Florida was established at Gainesville. There have been four presidents: Dr. Andrew Sledd, (1905-09), Dr. Albert A. Murphree (1909-28), Dr. John J. Tigert (1928-47), and Dr. J. Hillis Miller (1947-53). Dr.

John S. Allen is acting president.

COLLEGES

The University's 10 colleges include: University, Agriculture, Architecture and Allied Arts, Arts and Sciences, Business Administration, Education, Engineering, Law, Pharmacy, Physical Education and Health. Schools include: Forestry, Graduate, Journalism and the School of Inter-American Studies.

BOB WOODRUFF

Athletic Director and Head Football Coach

One thing Florida football fans—among the most rabid found anywhere—desired most of all for many years was a bowl team. Coach Bob Woodruff gave them that in his third year at the helm of the Gators.

Next in importance, they wanted a scrapping, determined team that would make them proud, and for the fifth year since coming to Florida, Coach Woodruff expects to present them with such a team. Sophomore laden, the 1954 Florida squad will be composed almost half of men up from the freshman ranks. Eager to gain recognition for their team, these youngsters will provide the kind of "will to play" their coach desires most in his players.

A native Georgian, Coach Woodruff was born in Athens, on March 14, 1916. Early after his birth, the family moved to Cuthbert, Georgia, where they lived until he was 16 years old. He played on Cuthbert High's first football team, and then on moving to Savannah played three years for Savannah High School.

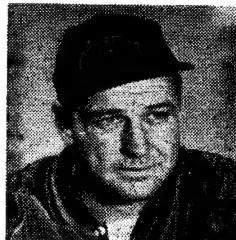

Those close to Coach Woodruff know him as a person who makes no hasty decisions, thinking things through to a careful conclusion. His teams are well disciplined and his associates are deeply loyal, a trait reflected from the coach himself.

These qualities, his friends believe, stem in a large measure from his playing days as a standout tackle in 1936-37-38 on the Tennessee teams of General Bob Neyland.

Following his graduation from the University of Tennessee in 1939, when he received an engineering degree, Woodruff joined the Vols staff as assistant coach, a position he held during the 1939 and 1940 seasons.

Entering the Army in 1941, Coach Woodruff rose to the rank of Major before being discharged in 1946. During that period of service, he was an assistant coach in 1944 and 1945 at West Point, helping Coach Earl (Red) Blaik guide the Black Knights of the Hudson to national collegiate gridiron championships.

The following season he was line coach at Georgia Tech, before becoming head coach at Baylor University in the spring of 1947. Immediately lifting a floundering Baylor squad out of the cellar of a tough Southwest Conference, Coach Woodruff had the eyes of the nation turned on him. That first season Baylor claimed four quick victories in a row, including a startling upset of Arkansas. A powerful Texas team broke the string, and Baylor went on to a respectable five-five season. The following season Baylor enjoyed a 6-3-2 season,

including a Delta Bowl victory (20-7) over Wake Forest. Then in 1949, Woodruff guided an astonishing Baylor Bears to eight wins and two losses.

At Florida, where he became Head Coach and Director of Athletics in 1950, Woodruff found many of the problems which had existed at Baylor. The Gators that first season compiled a creditable 5-5 season, and followed with an identical record in 1951. Then, as at Baylor, the third year was the big one. The 1952 Gators became one of the country's top teams, compiling a regular season's record of seven wins, against three losses, and went on to beat an excellent Tulsa team in the Gator Bowl, 14-13.

Following the graduation of many top stars, including Florida's second All-American in the School's history—Charlie LaPradd—another program of rebuilding was underway in 1953. The Gators won three, lost five, and tied two. Three of the losses were by four points, or less.

Meanwhile, as Athletic Director, Woodruff has continued to place a strong emphasis on a "total" sports program, and the Gators have prospered in basketball, track, swimming, baseball, tennis and golf. The centennial year 1952-53 was the big-one for all sports, too, when all Gator teams won 69 contests, lost only 23 and tied two for a percentage of .741.

A man who is intensely dedicated to his work, Coach Woodruff is also known to his close associates as an untiring fisherman and hunter. And, when teams other than football are performing, he throws himself thoroughly into the spirit of being one of the fans.

Coach and Mrs. Woodruff (Margaret) have two sons, Scooter, 10, and Mark, 2.

He later earned a Master of Arts degree from Peabody (1942). As a player with the Tennessee Vols (1925-6-7), the team won 22, lost 2 and tied 2. He was head coach at Johnson City for two years, then guided Lake City for eleven years, his teams winning 73, losing 30 and tying 7. He returned to the University of Tennessee as line coach under Coach John Barnhill in 1942, the year the Vols defeated Tulsa in the Sugar Bowl. After three years in the Navy, including service in the Pacific, Hooser became football line coach and head track coach at the University of Arkansas for the seasons of 1946-47-48-49. The Razorbacks were the Southwest Conference title winners and tied LSU in the Cotton Bowl that first season. In 1947 they defeated William and Mary in the Dixie Bowl. Since joining the Florida staff in 1950, Coach Hooser has produced consistently strong defensive lines. In helping guide the 1952 Gators to their victory in the Gator Bowl, Coach Hooser then had been a coach on four bowl teams. He is married to the former Gertrude Morgan of Richard City, Tennessee.

The next eight years found him as head basketball coach and football end coach at Miami (Ohio) University. He became head basketball and assistant football coach at Tennessee in 1938. Serving until 1947, his basketball Vols won 128 games and lost 42, while the football team went twice each to the Rose, Orange and Sugar Bowls. During that period the basketball team won SEC championship in 1941 and 1943, and were tournament finalists in 1939 and 1945. Again Mauer was basketball coach and assistant football coach, this time for West Point from 1947 until 1951 when he joined the Florida Gators. He managed to play two years of professional football for the Philadelphia Eagles in 1941 and 1942, before entering the Navy. He served three years, including a tour of duty in the South Pacific and Far East aboard destroyers. In 1946 Coach Eibner returned to the Eagles, and then the following year coached football, basketball and baseball at Prestonburg, Ky., High School. His teams made outstanding records, winning ten of eleven football games and going undefeated in baseball until the Southern High School championship play-offs. Eibner was line coach at the University of Miami in 1948 and 1949. He joined the Florida staff in February, 1950. In addition to serving on the field as an assistant coach, Eibner also has the important duties of chief scout for the Gators. He is married to the former Katie Oakley of Mt. Sterling.

"GATORS"

(From THE FLORIDA TIMES-UNION (Jacksonville), Thursday, August 19, 1948.)

"MILLER RECALLS CHRISTENING OF UF TEAMS AS 'ALLIGATORS'

"A Jacksonville lawyer 'christened' the University of Florida's football team 41 years ago when he gave a pennant-designing firm in Charlottesville, Va., the suggestion of 'The Alligators.'

"Austin Miller, who has practiced law here since shortly after his graduation from the University of Virginia in 1910, yesterday recalled the circumstances surrounding the choice of a name for Florida University's athletic teams. It happened in the fall of 1907, a year after the University at Gainesville had fielded its first team.

"Miller, a native of Gainesville, was enrolled in the University of Virginia at the time and was visited by his father, Phillip Miller, a Gainesville merchant. The elder Miller, who died nine years ago, then owned and operated a combination drug store and stationery store in Gainesville, a popular rendezvous for university students.

"While in Charlottesville the father decided to order some pennants and banners for the University of Florida from the Michie Company, which was engaged in the manufacture of such items. The Millers went to the firm, where they were shown samples of pennants which featured the Yale bulldog, the Princeton tiger and other school emblems. When the manager asked for Florida's emblem, the Millers realized the new school had none.

"Austin Miller said the name 'Alligators' occurred to him as a suitable emblem, both because the Michie manager said no other school had adopted it and because the alligator was native to this state. 'I had no idea it would stick, or even be popular with the student body,' Miller said. 'We wanted to get the Michie firm started on the pennants as quickly as possible, though, so they would be available in time for the opening of the 1908 school term.'

"The Michie manager complicated the 'christening' when he told young Miller he'd never seen an alligator and didn't believe he could design one. The law student volunteered to find a suitable picture of a 'gator. After much search, he said, he located a picture of one in the library of the University of Virginia.

"The first appearance of the alligator emblem, Miller recalled, was in his father's Gainesville store in 1908. The Michie firm had supplied 'Miller's' with blue banners measuring six by three feet, showing a large orange alligator, and also with several different types of smaller banners and pennants. Some of them showed the alligator lying down, some rampant, while others included only the alligator's head.

"With the first display of the new banners and pennants in Gainesville, the name 'Alligators' to describe the football team 'caught on' Miller recalled and, now contracted to 'Gator.'

1954 GATOR OPPONENTS

THE RICE INSTITUTE

September 18 — Houston — 8:00 P.M. (CST)

Nickname: Owls
Coach: Jess Neely
Sports Publicity: Bill Whitmore
Colors: Blue and Gray
Enrollment: 1,600
Location: Houston, Texas

Rice Institute is a non-sectarian, privately endowed educational institution that first opened its doors in 1912. In athletics, the school was a charter member of the Southwest Conference when that athletic organization was founded in 1915. Rice holds a unique place in collegiate football circles. With a limited enrollment of 1,600 (including about 500 women students) under high academic standards, it is the smallest school in the so-called major college grid circles.

Yet, the Owls' grid record through the years is one that can be envied by many larger schools with good backgrounds in athletics. Rice teams have won three ('34, '37, and '49) and shared two ('46 and '53) Southwest Conference championships. Four Owl teams have appeared in major bowl games (Cotton Bowl of 1938, 1950, and 1954 and Orange Bowl of 1947) and were victorious on each occasion. Several Rice gridders have won All-American acclaim, and a host have been All-Southwest Conference players.

Everything but the limited enrollment has grown at Rice since the modest beginning of college football at the school in 1912. Where the 7-0 victory over Houston High opening that first season was played before 3,000 fans in wooden bleachers in a city of about 100,000, in 1953 over 250,000 saw the Owl home games in the new stadium located in the largest city in the South with Houston now a metropolis of 1,000,000.

The Rice-Florida series was established last year, with the Owls winning, 20-16 the game played in Rice Stadium. Although the two teams met for the first time last year, Jess Neely and Bob Woodruff were coaching rivals when Coach Woodruff was at Baylor University in the Southwest Conference before moving to Gainesville. In 14 seasons at Rice, Neely-coached teams have won 88, lost 53, and tied 4 games.

GEORGIA TECH

September 25 — Atlanta, Ga. — 2:30 P.M.

Nickname: Yellow Jackets
Coach: Bobby Dodd (Tennessee '31)
Sports Publicity: Ned West
Colors: White and Old Gold
Enrollment: 5,000
Location: Atlanta, Georgia

Georgia Institute of Technology is a non-sectarian engineering school, founded in 1885 and officially opened on Oct. 7, 1888. It is chartered by the Legislative body of the State of Georgia.

Primarily a men's institution, Georgia Tech in 1952, however, began admitting women as full-time students of the engineering and architecture schools. Co-education is now growing steadily.

Georgia Tech, with a Professor West as its informal coach, played its first football game in 1892, losing to Mercer College 0-12. Tech hired its first regular coach, John W. Heisman, in the fall of 1904, won eight games while losing one and tying one that season. Tech has been rated as a top national team ever since. The Yellow Jackets' second coach, W. A. (Bill) Alexander, served from 1920 until Robert L. (Bobby) Dodd, the present coach, took over in 1946. Under Coach Dodd's leadership, Tech football teams have won 74 games, lost 23 and tied two in the past nine years. The 1953 Yellow Jackets won 8, lost two and were tied (by Florida). They also set new records while defeating West Virginia 42-19 in the Sugar Bowl on January 1, 1954.

Tech has been champion or co-champion of the old Southern Conference eight times and the Southeastern Conference five times. They played in the Rose Bowl (1929), the Sugar Bowl three times (1944, 1953, and 1954), the Orange Bowl four times (1940, 1945, 1948, and 1952), the Cotton Bowl (1943), and the Oil Bowl (1947). Tech's Bowl record is 8 wins and 2 defeats. The Yellow Jackets were the first to play in all four major bowls, and they have never lost a bowl game under Coach Dodd.

Nickname: Tigers or Plainsmen
 Coach: Ralph (Shug) Jordan (Auburn '32)
 Sports Publicity: Bill Beckwith
 Colors: Burnt Orange and Navy Blue
 Enrollment: 7,500
 Location: Auburn, Alabama

The Alabama Polytechnic Institute, known the country over in intercollegiate athletic circles as Auburn, was founded in 1872. It is a State school with an enrollment of 6,000 men and 1,500 women students. The Plainsmen entered the ranks of intercollegiate football, coached by George Petrie, with a 10 to 0 victory over Georgia in 1892 on George Washington's birthday in Atlanta, Ga. Coach Ralph Jordan guides the Plainsmen this year for his fourth season. Last year his team won seven, lost two, and tied one game, plus meeting Texas Tech in the Gator Bowl game. Jordan was the 1953 "SEC Coach of the Year" on all polls and his X's and Y's were "Team of the Year". Picked for the 11th spot in the SEC in 1953, Auburn met Alabama with the Conference Championship at stake in the final game of the season, losing by a field goal, 10-7. Auburn beat Florida 16-7 on the Plains a year ago with this unique system of X and Y, two evenly divided teams substituting in eight minute intervals. Coming to Gainesville this season, X and Y will have two first string 1953 All-SEC men, End Jim Pyburn and Tackle Frank D'Agostino; one second stringer, Guard George Atkins, and one third stringer, Quarterback Bobby Freeman. The Florida-Auburn football series, Florida score first:

CLEMSON COLLEGE

October 9 — Jacksonville — 8:00 P.M.

Nickname: Tigers
 Coach: Frank Howard
 Sports Publicity: Brent Breedin
 Colors: Purple and Orange
 Enrollment: 2,600
 Location: Clemson, South Carolina

Clemson, the Agricultural and Mechanical College of South Carolina, is a non-sectarian school founded in 1889 and opened in 1893. Under the coaching of Professor W. M. Riggs, the Tigers opened their gridiron battles with a 6-12 loss to what is now a traditional gridiron "enemy", South Carolina in 1896. Coach Frank Howard, a guard on Wallace Wade's Alabama Rose Bowl team of 1930, has been a Tiger mentor since 1931, assuming the reins as head coach when Jess Neely left Clemson for Rice Institute in 1940. During his 14 previous seasons as Clemson head coach, Howard's teams have won 72, lost 52 and tied 8. Two of his teams—1948 and 1950—went unbeaten and were ranked in the "top ten" by the AP. Between 1948-51, Howard-coached elevens earned three bowl bids, defeating Missouri for the Gator Bowl Championship on January 1, 1949, and whipping Miami for the Orange Bowl Crown in 1951. Miami returned the favor, downing the Tigers the next year for the Gator Bowl title. In their last meeting, 1952, Florida walloped the Tigers, 54-13. The Florida-Clemson series, Florida score first:

UNIVERSITY OF KENTUCKY

October 16 — Gainesville — 2:30 P.M.

Nickname: Wildcats
 Coach: Blanton Collier (Georgetown '27)
 Sports Publicity: Ken Kuhn
 Colors: Royal Blue and White
 Enrollment: 6,000
 Location: Lexington, Kentucky

The state University of Kentucky was founded in 1865, and the Wildcats' intercollegiate football history dates back to 1891, when Coach Jackie Thompson's team was defeated by Centre College, 0 to 10. A new coach, Blanton Collier, inherits a respected Wildcat team that managed a second place tie in the SEC last season. In succeeding Paul (Bear) Bryant, now at Texas A & M, who led Kentucky to four bowl games in the past seven years, Collier has a large pair of shoes to fill. Bryant guided the Wildcats to a 24 to 14 victory over Villanova in the Great Lakes Bowl in 1948. Then the Wildcats lost a one touchdown decision to Santa Clara in the Orange Bowl in 1950, defeated Oklahoma 13 to 7 in the Sugar Bowl in 1951, and, in 1952, became champions of the Cotton Bowl, winning from Texas Christian, 20 to 7. Collier becomes Kentucky's 27th head coach. He comes to Kentucky from the professional Cleveland Browns' where he was backfield coach. The game respects him as one of its finest students.

Kentucky looks to be a strong team again this season, despite the loss of such greats as All-Americans Guard Ray Correll and Back Steve Meilinger. Tackle Duke Curnutte bears watching as a line standout.

LOUISIANA STATE

October 23 — Baton Rouge — 8:00 P.M.

Nickname: Tigers
 Coach: Gaynell Tinsley (L.S.U. '37)
 Sports Publicity: Carl "Ace" Higgins
 Colors: Purple and Gold
 Enrollment: 8,500
 Location: Baton Rouge, Louisiana

Louisiana State University was founded in 1860 near Alexandria, La., as the State Seminary of Learning. It got its full name in 1877 when it was merged with the Agricultural and Mechanical College, previously located at New Orleans. First "Superintendent" of LSU was General William Tecumseh Sherman. Football was introduced at LSU in the fall of 1892, with only scrimmages represented as a schedule. In 1893 the Tigers initiated intercollegiate competition with Tulane and lost 0-34. First coach at the Ole War Skule was Dr. Charles E. Coates. In 60 years of football LSU has won 298, lost 168, and tied 31 games of 497 played. In Conference activity the Tigers have played 127 games, winning 65, against 50 losses and 12 ties. LSU teams have participated in four Sugar Bowl games ('36-37-38-49), and have appeared in Orange ('44), and Cotton ('47) Bowl games as well. Twenty-one coaches have tutored Tiger teams, with Gaynell Tinsley entering his seventh season as head man of the Bengals. Big Gus has done more with less than any of his predecessors at Tigertown, and his five-year record against the most formidable schedules in the land shows a 30-28-6 mark. The October 23 tilt between LSU and Florida will be the fourth in the history of the series between the schools. Bernie Moore-mentored LSU teams defeated the Gators, 10-7, in 1941, after an inaugural victory of 19-0 in 1937. The Florida-LSU series, Florida score first:

MISSISSIPPI STATE

October 30 — Gainesville — 2:00 P.M.

Nickname: Maroons
Coach: Darrell Royal (Oklahoma 1950)
Sports Publicity: Bob Hartley
Colors: Maroon and White
Enrollment: 2,700 men and 300 women
Location: State College, Miss.

Mississippi State, a land-grant college, was founded in 1878 and opened in 1880. Located in the rolling hills of Northeast Mississippi's prairie region, just a few hours' drive from the most distant point in the state, is Mississippi State College. "The Peoples College", largest institution of higher learning in the Magnolia state.

When Mississippi State's first football team, the "scoreless winners" of 1895 (then Mississippi A. & M.) made its debut under a student coach, only two courses, agriculture and the mechanic arts, were available to the 213 students then enrolled.

Since its early beginning both the school and the football team have grown to full maturity. In 1940 the Maroons were undefeated in football and had only a tie with Auburn to mar a perfect record. In 1941 the Maroons won their only Southeastern Conference football championship.

The football team has played in two bowl games, losing to Duquesne 13-12 in the 1937 Orange Bowl game, and defeating Georgetown 14-7 in the 1941 Orange Bowl game.

In 1953 the Maroons finished in a tie with Auburn for fifth place in SEC standings. The final record showed five victories, three ties and two losses.

When Murray Warmath departed for Minnesota youthful Darrell Royal, a former Maroon backfield coach, was hired to guide the Maroon grid destinies. Royal, who turned 30 in July, is the SEC's youngest head coach. He was head coach of the Edmonton Canadian professional team last season.

The former Oklahoma All-American quarterback, who learned his football under Jim Tatum and Bud Wilkinson, has served as an assistant coach at North Carolina State, Tulsa and Mississippi State.

This will be the 11th grid meeting between the Maroons and Gators in a series that dates back to 1923. The Maroons won 26-12 in their last meeting back in 1942. The Florida-State football series, Florida scores first:

The University of Georgia is the nation's oldest state chartered institution of learning, formally brought into being in 1785. It was opened in 1801 with less than 30 students; its enrollment today is 2,500 men and 2,000 women students. The Bulldogs, under the late Dr. Charles Herty, who became famous for developing the products of the pine, were the first school in the deep south to organize a football team. Dr. Herty persuaded a classmate of his at Johns Hopkins, who had gone to Auburn, to organize a team there, too. Georgia and Auburn played the first football game in the deep south in 1892, Auburn winning 10-0, at Brisbane Park (Atlanta). Present Coach Wallace Butts is in his sixteenth season at the Georgia helm—the dean of Southeastern Conference head football coaches. His Georgia teams have won 103 games, lost 53 and tied seven for a winning percentage of .660, including seven bowl games. Butts' Bulldogs won the SEC title in 1942-46-48. UNIVERSITY OF TENNESSEE

November 13 — Knoxville — 2:00 P.M.

Nickname: Volunteers
 Coach: Harvey Robinson (Tennessee '33)
 Sports Publicity: Gus Manning
 Colors: Orange and White
 Enrollment: 7,000
 Location: Knoxville, Tennessee

The University of Tennessee was chartered in 1794 and is one of the oldest State Universities in the country. It was the first co-educational institution in America and established the first Y.M.C.A. in the South.

The nickname "Volunteers" is the official nickname of the State and has become the nickname of the athletic teams of the University. The nickname originated when Andrew Jackson successfully mustered armies of Tennessee volunteers to fight the Indians and also to participate in the Battle of New Orleans. The name became prominent during the Mexican War when the Governor of Tennessee asked for 2,800 volunteers and instead of 2,800—30,000 volunteered immediately. In subsequent calls Tennessee has always had a majority of volunteers to respond.

The first year of football was in 1896. The Vols defeated Virginia Polytechnic Institute 6 to 4 in their first game.

Harvey Robinson is beginning his 2nd year as head coach at the University of Tennessee. He served as General Neyland's No. 1 aide at Tennessee prior to becoming head coach.

The Tennessee-Florida series began in 1916 when Tennessee defeated Florida 24 to 0. The Vols and Gators have met on ten occasions and Tennessee has been victorious in all games. Tennessee defeated Florida last year in Gainesville 9-7. The Florida-Tennessee series, Florida score first:

UNIVERSITY OF MIAMI

November 27 — Gainesville — 2:00 P.M.

Nickname: Hurricanes
 Coach: Andy Gustafson (Pitt. '26)
 Sports: George Gallet — Wilbert Bach
 Colors: Orange, Green and White
 Enrollment: 11,000
 Location: Coral Gables, Florida

The University of Miami was founded in 1926. That year the first roll call was answered by 232 students. Today that entire undergraduate body could be swallowed up by single academic departments in any of the University's eight schools, without showing a bulge.

The growth from a small new college to a University of 11,000 students in a brief quarter of a century could be ascribed with some accuracy to the parallel mushrooming of the Dade County population.

Today the Main Campus, already known as the most modern one in the country, is considered only a fraction of what some day will rise there to house and educate students of the future.

While comparatively young as far as most universities and colleges throughout the nation go, Miami in a short span of years has become a football power.

Miami first stepped into the spotlight back in 1938 in football when during that season the Hurricanes turned in stunning upsets over Florida and Georgia. These were Miami's first outstanding triumphs in football. Since then, the Hurricanes have knocked off many outstanding teams of the nation, including teams from the Big Ten, Southwest Conference and the Southeastern Conference.

Miami has met Big Ten teams in competition four times in football and in three of those four games, Miami emerged victorious.

One of the most brilliant triumphs in Hurricane history came in 1950 when Miami defeated Purdue of the Big Ten at Lafayette, Ind., a week after the Boilermakers had knocked off Notre Dame ending the Fighting Irish's sensational winning streak.

The 1950 Miami team went undefeated and played Clemson in the Orange Bowl game on New Year's day. The 1951 Miami team was selected for the Gator Bowl and defeated Clemson for the Gator Bowl crown on New Year's Day, 1952.

Miami schedules of the future include Notre Dame in football. The Irish will come to Miami in 1955 to play the Hurricanes.

THE GATOR BAND

The University of Florida Band, more popularly known as The Gator Band, produces many of the most colorful halftime musical shows to be found in college football today. A total of 155 people work under the brilliant direction of Colonel Harold B. Bachman, director, to produce the spectacles that have thrilled football audiences throughout the South.

This high opinion of The Gator Band is shared by many who have seen it in action. On his NBC broadcast of the Florida-Kentucky game in 1952, sportscaster Bill Stern said: "This is one of the finest marching bands I have ever seen, and I think I have seen most of them. It's a tremendous musical organization."

On the same broadcast, nationally famed bandmaster Tommy Dorsey said: "It's one of the finest college bands in the country. Everything they do is great. I could hear every instrument just as if it were set up in a studio."

Members of The Gator Band spend four, two-hour sessions each week in musical rehearsals and outdoor drills getting ready for their colorful Saturday spectacles.

Band members do not receive scholarships or other financial inducements. Representing every department of the University, the band membership is a true cross-section of the student body.

Gator Band field productions are primarily based on a solid musical foundation with good music as the guiding principle. Each halftime show usually includes one or more musical presentations featuring distinctive arrangements played while the band maneuvers into appropriate formations or tableaux. A distinctive characteristic is that many of the feature numbers are performed "in the round" so that the view and sound will be the same from both sides of the stadium.

Uniforms of the men in the basic square of the band are blue with orange trimmings and accessories—topped with shakos and rice blue plumes. Drum majors and baton twirlers are dressed in white, trimmed in orange and blue.

Here is the make-up of the Gator Band for the 1954 season: Two drum majors; 15 baton twirlers and flag bearers; 4 girl bell lyre players; 104 men the band; 12 alternates in auxiliary unit; public two band directors. Student of Physical Education, Billy Mitchel Drill Teams field productions.

FLORIDA HOMECOMING

All year long the people of Florida talk about Homecoming at the University of Florida. Homecoming means two days of continuous activity, highlighted by the double-feature attractions—Friday night's Gator Growl and the Saturday afternoon football game. Both draw capacity crowds of 40,000.

The game this year is with a Southeastern Conference opponent, Mississippi State, on October 30.

Among other outstanding events are a parade of giant proportions, banquets, swim shows, alumni reunions, fraternity and sorority doings, and a Legislative Barbecue.

Back in 1906 the students decided to stage a "Dad's Day." Homecoming was the natural outgrowth of "Dad's Day" and in late years it has become almost traditional for each one to surpass the last one.

Gator Growl, an all-student variety extravaganza that draws a packed house to Florida Field Stadium on the eve of the football game, came into the picture back in 1924. About 7,000 Dads and Grads gathered in the old gymnasium the night before the game to drum up the necessary enthusiasm to help the Gators defeat Drake University the next day, 10 to 0.

From that spontaneous gathering in 1924 has grown what is very likely the largest, most colorful and noisiest pep rally on the college sports scene today. A student committee of Florida Blue Key works a year ahead to set the theme. Fraternities and sororities plan their parts months in advance and spend months preparing interior and exterior house decorations, parade floats and skits for Gator Growl. No admission is charged for Gator Growl or other sidelights.

Almost everyone who comes to a Florida Homecoming finds himself torn between more desires than a kid at Coney Island. There is something going on every minute and all too often, for the visitors, colorful events overlap to make the choices more than a little difficult.

Sports editors and writers assigned to cover the Florida-Mississippi State football game on October 30th will be primarily interested in the football game, but those who want to be in on the unforgettable side-show attraction will be one of that huge, happy, fun-loving crowd of folks at Florida Field Stadium Friday night for Gator Growl, a brilliant evening's entertainment in anybody's book.

WHEN YOU VISIT THE GATORS

The skeletonized map on the facing page will be of service to you when you pay the Gators a visit. If you are coming for a football game, it will be better for you to follow the heavy arrows placed at the main intersections of highways and streets. By following these arrows, you will avoid suddenly running into a barricade made necessary for traffic conditions on game days.

In brief, these arrows will take you to the intersection of University Avenue and 13th Street, which is the main entrance to the University of Florida. You then proceed on University Avenue past two traffic lights, past the handball stalls on the left and turn left into the parking lot at the next corner. On occasions this corner will be blocked off by a patrolman who will send you on another half-block to a second entrance to the parking lot. Any other route to the stadium might take you into a road blockade.

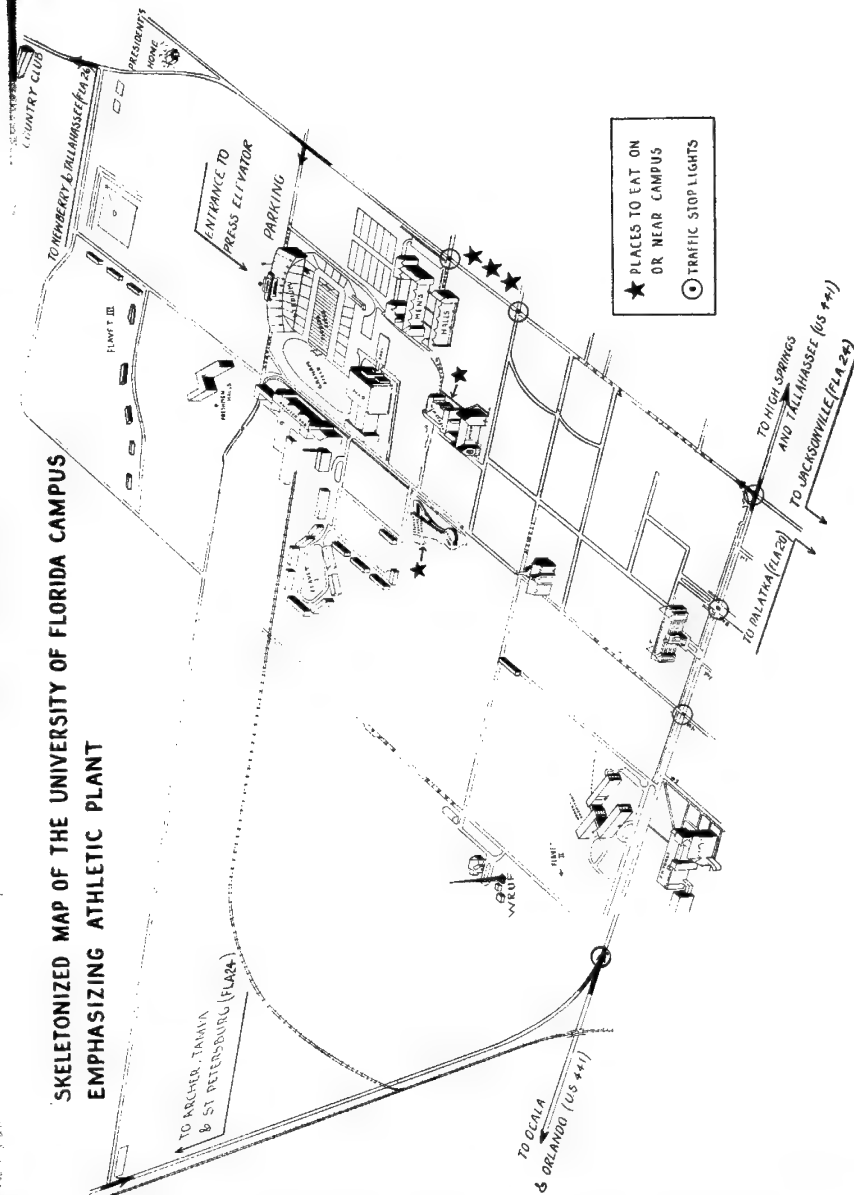

The Athletic Association offices, including the coaching staff, the ticket office and office of the Business Manager, the Gator Boosters, Inc., and Sports Publicity are newly located this year in the Florida Field Stadium, south west section, beneath the stands. Enter from the street (Stadium Drive). The first floor level contains the Business Manager's office, Gator Boosters, and Sports Publicity Department. Coaches offices are on the second floor.

Entrance to the Press Box is gained by showing your pass at the Elevator Lobby. The Elevator will take you to the Press, Radio, Photography, and Western Union Decks. (For further information on the Press Box, turn page.)

The map opposite also indicates the location of the Florida baseball field, the track stadium (Graham Field), Florida Gymnasium and swimming pool.

The stars on the map indicate places on or near the campus to get a bite to eat: Student Service Center, University Cafeteria, and several establishments located opposite the Campus (north side) on University Avenue.

FLORIDA FIELD PRESS BOX

If you are assigned to cover a Gator game at Gainesville this year—and here's hoping—you will have the comfort of doing your work in one of the country's finest monuments to the Fourth Estate, and while in some quarters the Fourth Estate might not include our good radio friends, this is not true of Florida Field Press Box.

The diagrams on the opposite page afford a quick picture of just what's there. Four decks, starting at the bottom and going to the top (by elevator)

- (1) Photo Darkroom and Western Union, (2) Radio and Photographers, (3) Press and (4) Photo. Here they are in detail:

PRESS DECK: There are 48 seats on the front row and 47 on the back row. Each reporter has 34 inches of desk space and an adjustable, swivel chair that is bolted to the floor. Every seat has perfect vision—there are no uprights between any seat and the field and people walking along the front row are below the vision of folks on the back row. There are no windows on the press deck. A public address system operated exclusively for the press box gives all official information, including statistics on individual plays. There is a snack counter at one end of the press deck and ample toilet facilities at the other.

RADIO DECK; There are five ample-sized, acoustically tiled radio booths with glass windows that may be opened or closed, depending upon the desire of each announcer. The front row of each radio booth will seat four people very comfortably and five in a slight pinch. The back row seats three and is adapted for engineering equipment. Each radio booth may receive the press box PA announcements via headphones. There are two other booths, one for visiting coaches and one for the stadium public address system. Flanking the radio booths are large open-front decks for use by still, movie or television photographers. There are toilet facilities on the radio deck.

PHOTOGRAPHY DECK: This is a large open-front area at the very top of the press box. It has ample table space both in front of the cameraman and behind him. This deck also includes the Florida coaches booth and the stadium manager's booth.

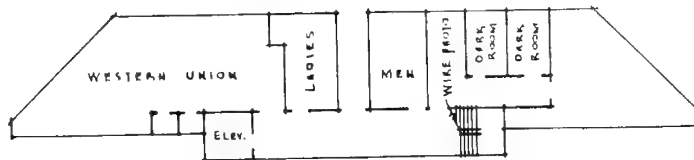

WESTERN UNION and PHOTO DARKROOM DECK: This is the first floor of the press box and the first elevator stop coming up from ground level. The entire Western Union operation is carried out in a large room that provides every needed facility for transmitting copy. Messages are sent by pneumatic chute from the press deck to the Western Union room. This, of course, eliminates the necessity of having bulky and noisy page printers in the actual working press section. (When you have a message ready for sending, you merely hold it over your head, yell "Copy Boy" and one swoops down on it.)

This deck also includes two photographic darkrooms for photographers who wish to process film at the stadium and telephoto room

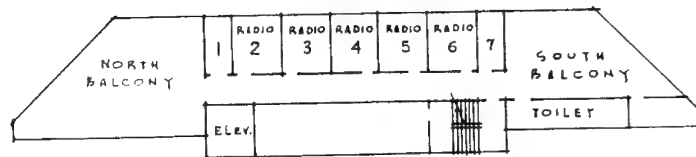

from which they may send pictures to the papers. While the places to do this work are a part of the press box, we are unable to furnish such equipment as enlargers, wire-photo sending sets, etc. Portable units must be brought by the cameramen.

We feel certain that you will thoroughly enjoy any assignment you have in Florida Field Press Box and sincerely hope that you will take every possible occasion to visit us when the Gators are playing at home—and when you just want to drop in for a chinfest.

WORKING PRESS TICKETS

Please make your request for working press tickets to Jimmy Gay, Sports Publicty Department, University of Florida, Gainesville. Office telephone (at brochure press time): 3261, University Extension 556. (The telephone arrangement may be changed during the football season. Please ask operator.)

PRESS AND RADIO ACCOMMODATIONS

Florida's home games (6) are played in Gainesville and Jacksonville. They are:

In Gainesville

Oct. 2	Auburn
Oct. 16	Kentucky
Oct. 30	Mississippi State
Nov. 27	Miami

In Jacksonville

Oct. 9	Clemson
Nov. 6	Georgia

You are urged to make your request for space in the press box as early as possible.

PHOTOGRAPHY ACCOMMODATIONS

Both in Gainesville and in Jacksonville, properly assigned photographers may work from either the sidelines or from the press box, or both. However, photographers working at either of these two places must be covering the game on assignment for the next day's newspapers. (This means, it is impossible for us to extend photographic privileges to free lancers or the weekly press, because of over-crowded conditions.)

In your request for photographer's tickets, it is essential that you advise us whether you desire your accommodations on the sidelines or in the press box, and it is doubly essential that you advise us well in advance if you desire space reserved in the press box for a "Big Bertha" or any other type camera that requires a tri-pod or other support.

We will do everything possible to meet your request.

IMPORTANT

ON THE DAY OF THE GAME

When you arrive in Gainesville on the day of the game, you are invited to drop by the Sports Publicity Office, located in the southwest section of the new Florida Field Stadium Addition. We have typewriters, telephones, paper and other facilities. In using your press box ticket (for all decks, including movie) you will enter the elevator entrance, near the main gate on the west side of the Stadium. Enter the glass doors, show the attendant your press pass, and the elevator operator will escort you to the proper press deck. **PLEASE WEAR YOUR PRESS BOX TICKET IN SIGHT (IT HAS A BUILT-IN BUTTON HOLE).**

ABOUT RADIO BROADCASTS

Out of state stations must notify the Athletic Association of the visting team, (Auburn, Clemson, Kentucky, Mississippi State, Georgia and Miami), and having done so must then advise Major Garland Powell, Radio Station WRUF, Gainesville, Florida, and Jimmy Gay, Sports Publicity Department, University of Florida, Gainesville, of their intention to broadcast.

For stations originating broadcasts at the Stadium, the Florida Sports Publicity Department will provide: (1) The broadcasting booth (or space, when booths are filled); (2) Three official game programs; (3) Official game statistics within a few minutes of the end of the half and again within a few minutes of the end of the game; (4) arrangements for the broadcasting telephone line from the Stadium to the University switchboard (you must arrange with the telephone company from the University switchboard on), and (5) a Florida spotter, provided you request one two weeks prior to the game and with the understanding that the station will pay the spotter \$10.00.

Spotters of the visiting team must be arranged through that team. Inquire through Major Garland Powell and Jimmy Gay about other facilities.
